Notes:

- New initial storage fee will be charged September 30th, 2020 for any grain remaining in storage.
- All base storage, drying and grade discounts will be due by January 5th, 2020 or on issuance of warehouse receipt.
- Grain received at country elevators will first be applied to contracts then put into storage unless otherwise directed.
- CHS Elburn will NOT accept commodities that have not been approved for commercial production in the U.S. or have not been approved by countries that represent major export destinations. Based on current levels of approval, CHS Elburn is NOT planning to accept corn containing Agrisure-Duracade or Qrome events at our Elburn/Meredith Road, Newark or Darien elevators this fall. We will accept these events at Malta, Steward, Morris, Pekin, Davenport, as well as the Rochelle and Annawan ethanol plants. This policy is subject to change. Please contact us before delivering corn containing these events.
